

Care Options for Kid's corporate culture of Passion, Unity and Community defines how we conduct business and how we treat our patients and employees. We are committed to providing our team of therapist's the resources they need, the most comprehensive and affordable healthcare benefits, continuing education, and competitive compensation to create a family focused organization with a reputation for providing passionate patient care.

COFK is currently seeking an SLP for greater El Paso area. Care Options for Kids provides its team of therapists the opportunity to work in a personalized, one-on-one setting with patients in their own home, private school or daycare. Working with the patient, the family, and the physician, we design each child's plan of care to meet the individual needs of the child in order to deliver the type of specialized care each child needs.

The homecare industry is unique. The relationships that develop through in-home care are gratifying for therapists and patients alike. There is nothing more rewarding than seeing the difference you are making in your patients' and family members' lives on a daily basis.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

Working in the home environment you are responsible for the delivery of quality patient care according to the patient's individual physician orders and Medicaid guidelines. Your care may involve assessments, administering prescribed treatments and therapies, care planning, communication with other members of the patient's multi-disciplinary team, health promotion and teaching and training family members.

Requirements:

- Proof of eligibility to work in the United States
- SLP, SLP-CF, SLPA, OTR, COTA, LPT or LPTA current and unrestricted State of Texas license or eligibility for Texas license
- SLP and SLP-CF: ASHA Certificate of Clinical Competency or CF intern status.
- Current CPR certification
- Degree from accredited therapy program
- Demonstrated proficiency in clinical techniques, procedures and documentation skills
- Good organizational and communication skills
- Commitment to ethical and professional practice standards
- Spanish or ASL fluency a plus
- 1-2 years home health experience

Care Options for Kids is an equal opportunity Employer
